REGISTER YOUR INTEREST! Join the **California Governor's Office of Business and Economic Development (GO-Biz)** in Canada for a high-impact trade mission to Canada—one of California's most important economic partners and a rapidly growing market for safety, security, and critical infrastructure solutions. This program is designed to connect California companies with key Canadian decision-makers across government, defense, energy, and commercial sectors.

WHY CANADA

Canada is a top-tier market for California companies. Demand is growing quickly across defense, cybersecurity, and critical infrastructure, with government and industry actively investing in new solutions. Thanks to strong California–Canada relationships and a business environment that closely mirrors the U.S., you can enter the market faster, navigate regulations with confidence, and start building meaningful partnerships.

WHO SHOULD ATTEND

California businesses with solutions in:

- Wildfire mitigation and response technologies
- Emergency Communications & interoperability
- Cybersecurity and data protection
