JOIN THE CALIFORNIA PAVILION @ AQUATECH MEXICO 2026

The California Governor's Office of Business and Economic Development (GO-Biz) is organizing a California Pavilion at the 2026 AquaTech Tradeshow in Mexico City!

Water is one of Mexico's greatest challenges. The National Water Program, led by CONAGUA, focuses on ensuring access to clean water and sanitation—especially for vulnerable communities—while promoting efficient water use across key industries. The plan also aims to strengthen water management, protect basins and aquifers, and reduce risks from floods and droughts.
