

HEALTHCARE TECH EXPORT PROGRAM TO SOUTHEAST ASIA

The California Governor's Office of Business and Economic Development (GO-Biz), in partnership with Orissa International, invites eligible California-based Healthtech companies to join an export training and business pitching program designed to help them expand into Southeast Asia's fast-growing healthcare sector.

This comprehensive, result-driven export promotion program is valued at \$7000 but is fully funded by Go-Biz for CA companies that meet the STEP criteria to support California's Life Science and Biotech businesses' export efforts. Resources are limited, and we encourage companies to sign up early.

ELIGIBILITY

California-based small businesses that meet STEP criteria:

1. For-profit entity
2. U.S. incorporated with majority operations in CA
3. Meets U.S. Small Business Administration (SBA) size standards
4. At Least 1 year in operation
5. U.S. company with goods or services of U.S. origin or at least 51% U.S. content
